

SPORT OBJECTS

Municipal Stadium

BIELSKO-BIALA, POLAND

Located in the center of Bielsko-Biała, the stadium is one of the key sports venues in the region, serving as the main stadium for Podbeskidzie Bielsko-Biała.

The stadium has hosted prestigious events such as the FIFA U-20 World Cup in 2019 and UEFA Europa Conference League matches in 2021. Originally built in 1927 and extensively renovated between 2012 and 2016, the stadium has a seating capacity of 14,963. Its facilities include a heated pitch measuring 105 m x 68 m, modern lighting with an intensity of 2900 lux, 16 VIP boxes, and conference and media areas.
