Suwałki Arena

SUWALKI, POLAND

Suwałki Arena is the largest and most modern centre of its kind in the Podlasie region.

It was opened on 23 November 2019. The usable area of Suwałki Arena is more than 6600 m². The 12.8 m high arena has a sports area of 1745 m², including courts for volleyball (9×18 m), basketball (15×28 m) and handball (20×40 m), as well as stands for 2121 seats. Also available for use is a training room (14×24 m) with a height of 8 m and a total area of 340 m². The investment was carried out by the City of Suwałki with financial support from the Ministry of Sport and Tourism. The facility is available to schools, individuals and companies for sports classes, training, sports competitions and recreational events. The Suwałki Arena is managed by the Sports and Recreation Centre in Suwałki.
