# VARSO Tower

WARSAW, GERMANY

Varso Place is a modern business center and public space offering: offices, hotel, innovation center, restaurants, cafes.

It comprises of three buildings, including Varso Tower, forming an office complex in the very center of Warsaw. The 53-storey skyscraper with an area of 70,000 m<sup>2</sup> is the tallest building in Poland and the European Union. There is an observation deck at the top. The design solutions used in the office building are conducive to reducing the carbon footprint and air pollution, and provide impressive natural light to the interiors. Construction began in 2016 and was completed in September 2022. In 2023 Varso Tower was awarded as the best office building (Office Development of the Year) and the best building in Central and Eastern Europe (CEE Building of the Year).
